Required Publishing Tasks for Conference Publishers

- 1 Collect copyright transfer agreements**, one form per paper, not per author.
IMPORTANT: The [IEEE Copyright Form](#) must be completed. An electronic copyright form is also available. Conference Organizers [register with eCopyright](#) to create an account that authors access online. The Organizer then receives a weekly report of which copyright transfers have been completed.
- 2 Instruct your authors to add the copyright notice to their papers **before** creating PDFs.** Copyright notice can be found in Section IV ? Copyright Information in the Letter of Acquisition.
- 3 Instruct your authors to use the IEEE PDF eXpress Plus site to validate their papers (see following page).**
- 4 Provide IEEE Xplore®-compatible PDFs to Conference Operations.**

IMPORTANT: Any changes made to a PDF after IEEE PDF eXpress Plus conversion or PDF checking may invalidate Xplore compatibility. This includes headers, page numbers, copyright notice, watermarks, etc. If any of these elements are desired, they should be added to the document before a PDF is created.
- 5 All PDFs to be included in Xplore** (e.g. title page, copyright page, author index, etc.) should be validated through PDF eXpress for Xplore compatibility.
- 6** If you are not using a publishing vendor's assistance, use the IEEE Packing List Generator (from the [IEEE Publishing Technology Resources](#) web page) to expedite the delivery of your PDFs to Xplore.
- 7** Distribute the following page to your authors to provide them access to free Word and LaTeX templates and to PDF instructions [MS Word and LaTeX templates](#).

The main header includes the IEEE logo and the text "Publications Support Center". Below the header, there are four tabs: "Support Home", "Find Answers", "Ask a Question", and "My Support History". The "Find Answers" tab is active. A search bar is present with the text "Advanced Search" and a "Search" button. Below the search bar, there is a text input field and the text "Find the answer to your question". To the right of the search bar, it says "Results 1 - 10 of 106". The main content area displays three search results, each with a title, a brief description, and a "Date Updated" field. The first result is "How do I access the IEEE Electronic Copyright Form?", the second is "How do I find out my conference ID?", and the third is "What is the conference ID?". To the right of the search results, there is a "Contact Us" sidebar with a "Contact Us" button and a "Give Feedback" button.
